Summary

I am a MAKAUT(in-house) MCA student and happy person who loves to do work, learn new things and gain knowledge. I am a person who has always had a positive outlook towards life. I am really passionate about Technologies & my dream is to become an innovative software engineer. I am intrinsically motivated. I just want to get as much knowledge as i can .I love Games and I just love to play. I believe that luck is quite predictable. If you want more luck, take more chances. Be more active. Show up more often.
"Be like a DUCK, calm on the surface, but always paddling like the dickens underneath" "An attitude of positive expectation is the mark of superior personality", so be positive :)
